ANIMAL ENCOUNTERS

ARC ANIMAL VISIT

Reserve a special experience with the Koret Animal Resource Center (ARC). These animals, such as a tortoise, hedgehog, ferret, armadillo, snake, visit your event for an up-close and personal interaction. Our ARC animals each have an amazing story, most of which involve a second chance. Some were born in captivity and could never be wild. Many were former pets whose owners could no longer care for them. Others are injured wild animals unable to look after themselves. And all have an important message of conservation to tell.

NOTE: Certain animals may be requested but not guaranteed. Animal selection is up to the discretion of the zoo keepers.

NOTE: This activity is unavailable June through Labor Day
