### Jills 'n Joeys Playgroup

Join the Zoo's playgroup! Meet like-minded parents while letting your little ones play in a safe environment with age-appropriate toys. This is a structure-free class. Parents will enjoy having a close encounter with one of our educational Zoo animals.

### Fun for Little Learners

Each class features a specific animal, with different animals throughout the entire year. Enjoy animal-based fun through crafts, music and a room full of exciting discoveries. You may sign up for one or more topics within this 6 week series.

### Animal Adventures

Learn about animals through the alphabet, numbers, colors, sizes, and patterns. This class for young learners and their caregivers is filled with music, crafts, games, animal visitors, and Zoo walks. You may sign up for one or more topics within this 6 week series.

### Young Zoologists

Marvelous Mammals, Radical Reptiles, Awesome Amphibians, Bug Buddies, and Beautiful Birds are topics in this monthly series where children learn what makes these animals unique.
