

ANIMAL EXPERIENCES

ANIMAL ENCOUNTERS

Reserve a special experience with the Koret Animal Resource Center (ARC) Animals! These animals, such as tortoises, hedgehogs, ferrets, iguanas, and snakes, visit your event for an up close and personal interaction. Our ARC animals each have an amazing personal story, most of which involve a second chance. Some were born in captivity and could never be wild. Many are former pets whose owners could no longer care for them. Others are injured wild animals unable to look after themselves. And all have an important message of conservation to tell.
