

# Otter Template

# PAPER BAG OTTER

Adapted from Buggy and Buddy

## Materials

Otter template  
Cardstock  
Scissors  
Paper bag  
Recycled newspaper  
Rubber Band  
Glue/tape/stapler

## Instructions

1. Print the otter template on cardstock. Cut out the head, arms and feet. Color or decorate the pieces however you like.
2. Stuff a paper bag about 2/3 full with newspaper or other recycled material. Secure with a rubber band.
3. Cut the bottom of the paper bag (below the rubber band) in two to create two otter feet.
4. Glue, tape or staple the otter head, arms, and feet onto the paper bag. Tip: Let your child decide where the pieces go. It doesn't have to look realistic!
